

Quick Change Tool Posts

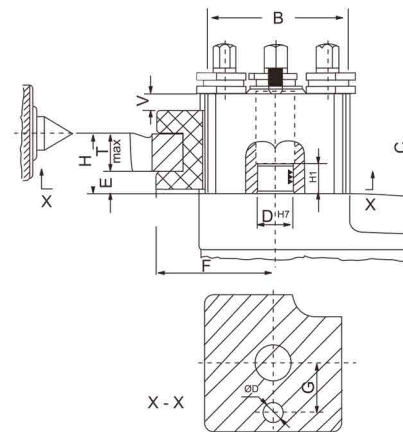

- Cast-hardened steel.
- The main block has 3 openings for inserting tool holders.
- These can be securely fastened by a simple and safe eccentric device which also adjusts the height for each tool holder.
- The tool shank is securely held by 4 hardened screws.
- No chatter or vibrations.

Italian Style

Complete set includes:

- 1 x Main block.
- 3 x Complete turning holders.
- 1 x Complete boring bar holder.
- 1 x Eccentric spanner.
- 1 x Screw spanner.
- Full range of spares available, see pages V109 - V111.
